

**ASSEMBLY BILL**

**No. 1065**

---

**Introduced by Assembly Member Bradford**

February 18, 2011

---

An act to amend Section 49068 of the Education Code, relating to pupil transfers.

LEGISLATIVE COUNSEL'S DIGEST

AB 1065, as introduced, Bradford. Pupil transfers: records.

Existing law requires a pupil's former district or private school to transfer the pupil's permanent record, or a copy thereof, upon a request from the district or private school where the pupil intends to enroll.

This bill would require the former district or private school to perform the transfer no later than 5 business days following the date of the request. By imposing a new requirement on school districts to transfer records within 5 business days, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.
